SUBIECTUL I (6 × 5 points = 30 points)

Read the text and decide if the sentences following it are true or false. Write T for true and F for false on the answer sheet.

My Day!

My name is Alice Stewart and I'm twelve years old. I live in London, England.

My day always starts at 7 o'clock in the morning when I get up. I usually have a shower then I have breakfast with my family. My mother always prepares it before I come into the kitchen. I never leave home without eating breakfast.

I usually get to school by bus and sometimes my father takes me to school but I never walk because it is very far.

I stay at school from 8 o'clock in the morning until 1 or 2 o'clock in the afternoon when I come home. I always take my dog out when come back home and I have lunch at 3 o'clock in the afternoon.

Then I sleep for an hour and I study from half past four until seven o'clock when I have dinner with my family.

After dinner I watch TV for an hour and, sometimes, I play computer games with my brother. We usually go to bed before ten o'clock.

1. Alice's day often starts at half past seven in the morning.
