THE GREAT LEADER

A high-contrast, black and white portrait of Mustafa Kemal Atatürk. He is shown from the chest up, turned slightly to his right, looking off-camera. He has a serious expression and is wearing a dark suit jacket over a white shirt with a dark tie. The background is solid black, making the subject stand out.

BURSA

BURSA

Region: Marmara Region

Area: 10,891 km (4,2 sq mi)

Altitude: 155 m (509 ft)

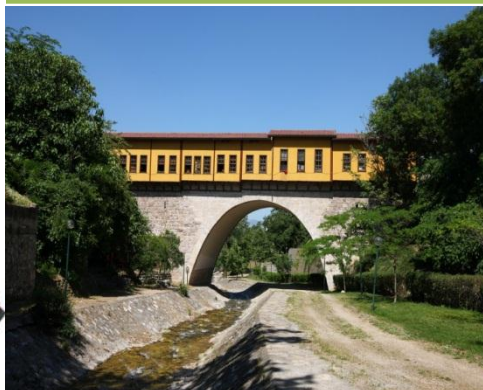

Population: 2.652.126

BURSA

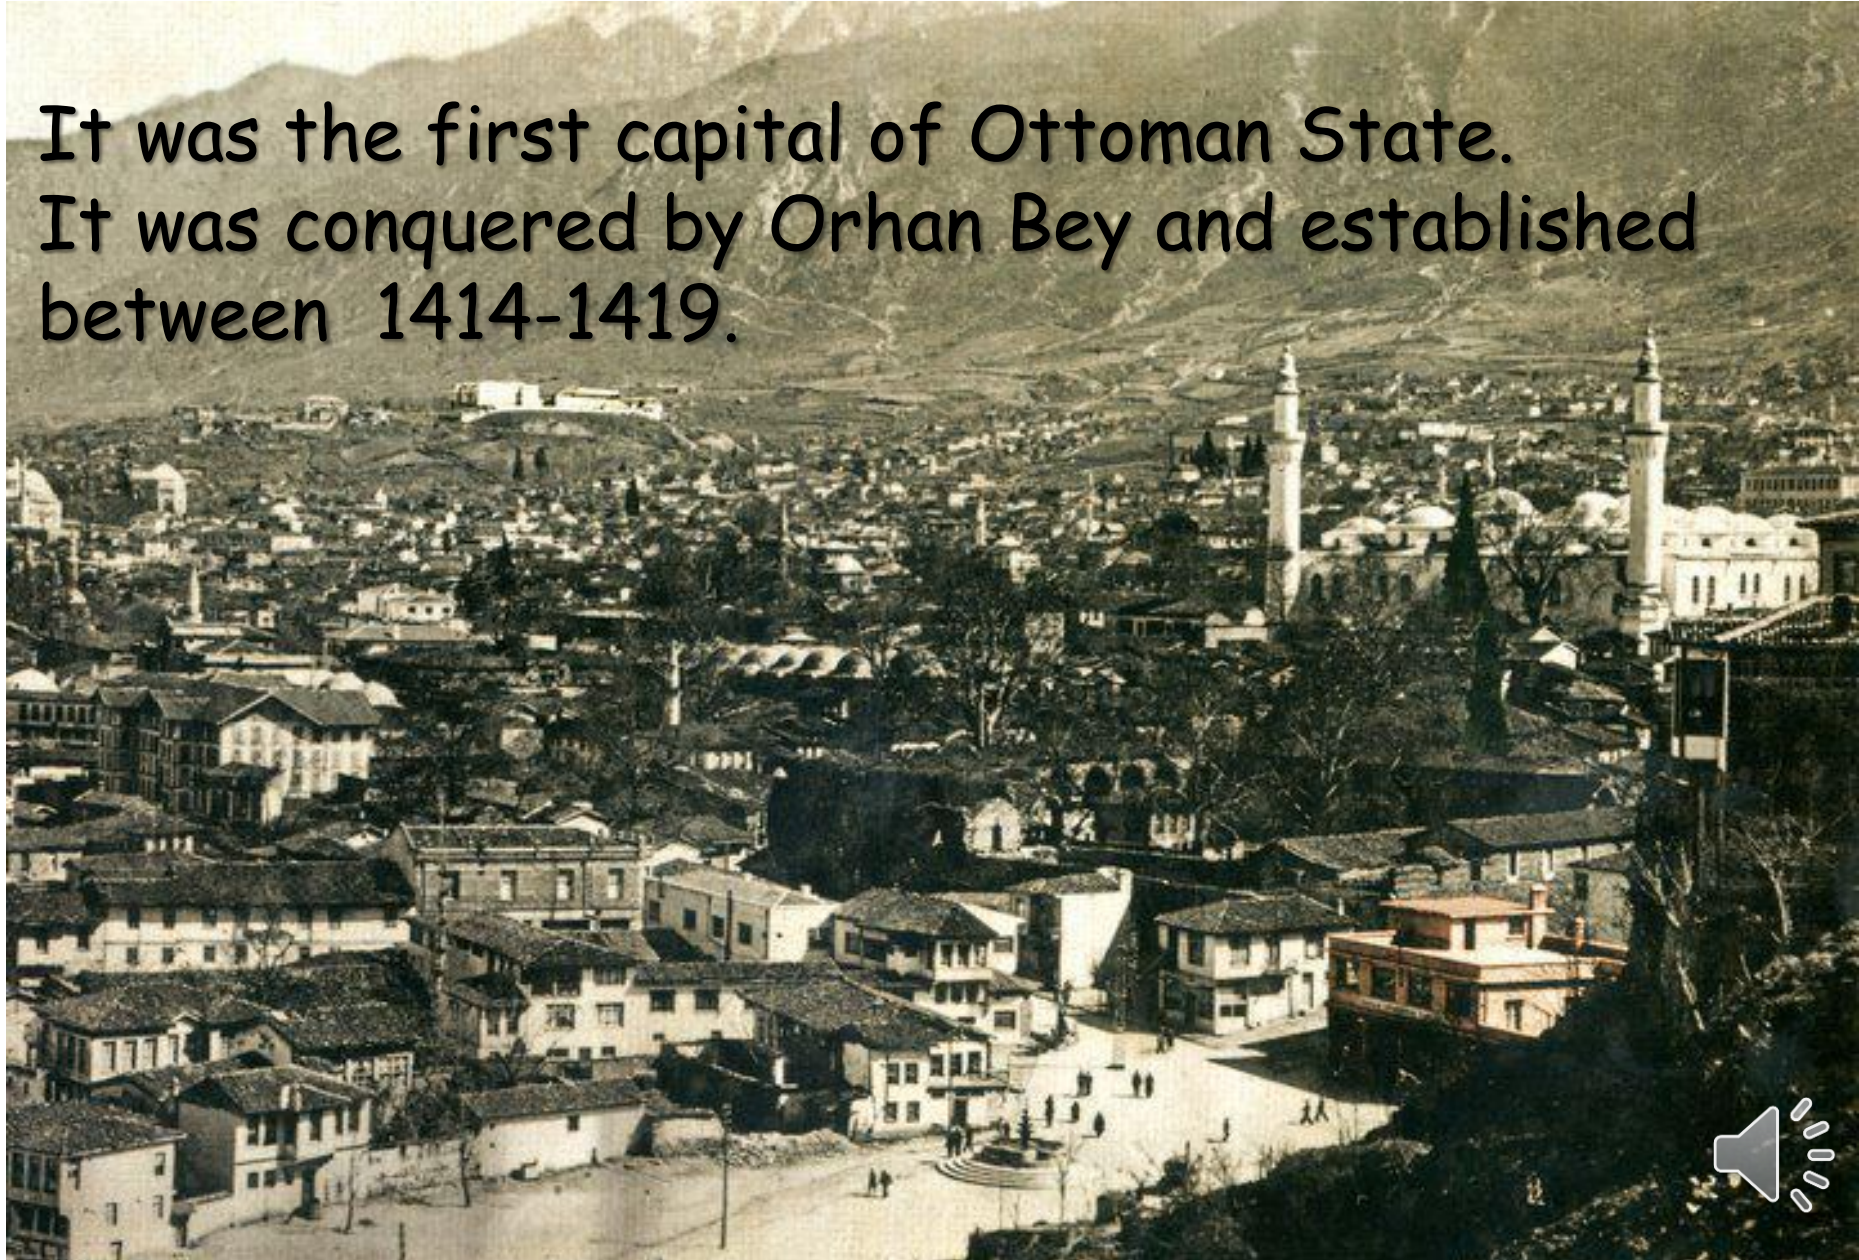

THE NAME COMES FROM THE CITY OF BURSA

Bursa was founded by the king of Bithynia I. Prusias between 232-192 BC. It is named "prusa" and changed into "bursa" over the years.

CONQUEST of BURSA(6 APRIL 1326)

It was the first capital of Ottoman State.
It was conquered by Orhan Bey and established
between 1414-1419.

An aerial photograph of Bursa, Turkey, showing a dense urban landscape with numerous buildings and a river. In the foreground, a red and white cable car is suspended from a cable, moving towards the left. A large metal support tower for the cable car system is visible on the left side of the frame. The text "Bursa is the 4th biggest town in population. It is located in the southern of Marmara." is overlaid in red at the top of the image.

Bursa is the 4th biggest town in population.
It is located in the southern of Marmara.
